Careful attention.

DR. PRICE'S CREAM BAKING POWDER and SPECIAL FLAVORINGS by careful and skillful workmen, made from the cream which makes bread, cakes &c. infallible with persons suffering with dyspepsia and diarrhoea. We earnestly hope that all those who deal in Flaxseed Extract, Dr. Price's Powder and make their bread known, they are sure to be appreciated by all their customers.

It would be ridiculous

for those who use bread to deride it, for the moment they open their mouths the state of their teeth would contradict the slanders of their tongue. It removes diarrhea, imparts a glittering whiteness to the enamel, and renders dicing out of the teeth impossible.

An article of prime necessity—Spalding's Glue.

It's hard to please every one, but Darvay's "Satin, Glue Starch" and "Improved Corn Starch" does it. All good housekeepers say it is just the thing. See by grosses.

TITCHELL, D. G., 1874. Durves' Stock and travel book, to be had we have ever used, and chearfully recommend it as a superior glass and what-not to any that has ever been introduced to it. It is very good.

You truly,

BAILEY BROWN,
